## REGISTRATION ASSISTANCE

Please contact the Chickasaw Council at 901-327-4193 or our Reservation Director/Camp Director, at [director.kiakima@gmail.com](mailto:director.kiakima@gmail.com), if you have any questions about Winter Camp or if you need any assistance using the online registration platform.

# UNIFORMING AT WINTER CAMP

At Winter Camp, warmth and safety are top priorities. Scouts and leaders should dress for warmth and comfort, and uniforms (neither the field nor the activity) are required at Winter Camp, though Scouts should travel in their field uniforms.

## PRE-CAMP LEADERS MEETING

There will be pre-camp leaders meeting on Thursday, December 11, 2025, at 6:30 p.m. CST, on the Zoom platform. This meeting is an opportunity for leaders to ask any unanswered questions and to address any hot topics.

## COMMUNICATION AT CAMP

The Kia Kima leadership team will communicate with leaders at camp using the Remind mobile application. The class code will be shared with leaders at the pre-camp leaders meeting and at the initial meeting at Winter Camp. The Administration Building will be staffed, at nearly all times, to support any needs of leaders or Scouts.

## HEALTH & SAFETY

The Kia Kima Health Lodge will be staffed for the duration of Winter Camp, and any participants will be able to access medical care twenty-four hours per day. In addition to the Scouting America *Annual Health and Medical Record* that each participant is required to submit, all participants can enter any special medical or dietary needs in the online registration system. Camp-wide emergency procedures will be shared with leaders and Scouts on check-in day. Please contact Camp Director Andy Bland, at [director.kiakima@gmail.com](mailto:director.kiakima@gmail.com), if you would like to discuss any of the special needs or your Scouts and/or leaders.

## FINANCIAL ASSISTANCE/ CAMPERSHIPS

Every Scout who wants to participate in camp should have the opportunity. The Chickasaw Council is proud to offer financial assistance to those Scouts in the Chickasaw Council in need, in the form of camperships. The *Campership Application* is included in the appendix to this *Leaders Guide*, and forms can be returned by e-mail, to Haley Baird, at [director.kiakima@gmail.com](mailto:director.kiakima@gmail.com); in person to the Chickasaw Council Dunavant Scout Service Center (171 S. Hollywood St., Memphis, TN 38112). The *Campership Application* must be returned by Friday, November 28, 2025 to be considered. Leaders and parents/guardians will be notified of any award in advance of camp, and any awards will be credited to individual recipients on the online registration system.

## VOLUNTEERS NEEDED!

Winter Camp at Kia Kima is a volunteer-facilitated experience. Many members of the summer camp staff will return to lead merit badge sessions, work in the kitchen, and make sure camp runs smoothly, but we also need adult leaders to volunteer to share their expertise and experience. If you are interested in assisting with Winter Camp in any capacity, please contact Andy Bland, at [director.kiakima@gmail.com](mailto:director.kiakima@gmail.com). All volunteers will receive a limited-edition Kia Kima Winter Camp patch and our eternal thanks!

See the appendix to this *Leaders Guide* for suggested unit and individual packing lists.

Individuals with mobility challenges can request a parking pass at the Administration Building, at check-in.

## CAMPSITE ASSIGNMENTS

Each unit or individual/family will be assigned a campsite. Several factors are considered when making campsite assignments, including requests (made in the registration), usual site assignments, and any special needs. # WINTER CAMP SPECIAL PROGRAMS

Step back in time and experience the rugged life of the frontier! The **Mountain Man Experience** at Kia Kima Winter Camp immerses Scouts in the skills, traditions, and challenges of the early 1800s fur trappers and pioneers who explored the Ozarks. This program is designed to give Scouts a taste of history while teaching practical outdoor knowledge, leadership, and self-reliance.

## What to Expect

Scouts participating in the Mountain Man Program will take part in a variety of hands-on activities that combine Scouting skills with authentic frontier living. These may include:

- Blacksmithing demonstrations and basic metalworking.
- Fire building and primitive cooking over open flame.
- Trapper skills such as shelter building, woodcraft, and survival techniques.
- Tomahawk throwing and black powder rifle safety instruction (as weather and range availability permit).
- Frontier games and challenges that test creativity, resourcefulness, and teamwork.
- Registration for this program will open *separately* from the general Winter Camp registration, on Monday, October 6, 2025, at 7:00 p.m. Registrations will be accepted on a first-come, first-served basis.
- Scouts must wear long-sleeve shirts, long pants, and boots to both session days.
- There is an additional cost of \$25.00 per Scout to participate in the Mountain Man Experience.
- Scouts must be **at least fourteen years old** to participate in this program.

**Collections and Stamp Collecting Merit Badges:** Scouts will have the opportunity to complete the Collections and/or Stamp Collecting merit badges at Winter Camp. A volunteer counselor will be available to meet with Scouts during lunchtimes and cracker barrels. Scouts should *complete* the requirements for these merit badges in advance of Winter Camp, and they should be prepared to discuss the requirements and their collections (with the collection or pictures of it) with the counselor. The counselor recommends that Scouts use the merit badge worksheets, widely available online.

	<p><b>Search and Rescue</b> — We are bringing back the search and rescue merit badge and taking over Camp Cherokee! By working on the Search and Rescue merit badge, you will learn and practice many skills that may someday save a life.</p>

	<h2>ADULT LEADER TRAINING</h2>
	<p><b>C.O.P.E./Climbing Instructor Level II</b> — This training will prepare adults to facilitate C.O.P.E. or climbing programs in their units and council, with required, advanced training. There are two treks for this training. For C.O.P.E., participants will spend both full program days at the C.O.P.E. course; for Climbing, participants will spend both full program days with the Climbing merit badge session (which field-trips to Jamestown Crag, in Batesville, on the second day). All participants completing either trek will meet nightly at 7:00 p.m. (while other activities may be taking place).</p>
	<p><b>Introduction to Outdoor Leader Skills (I.O.L.S.)</b> — The Chickasaw Council training team will be offering the Introduction to Outdoor Leader Skills (I.O.L.S.) training at Winter Camp. The I.O.L.S. training reviews all the basic skills leaders need to facilitate outdoor adventures for Scouts and offers opportunities to practice these skills. All registered leaders are invited to participate; this is often the final training many leaders need to be considered “fully-trained.”</p>
	<p>We are excited to announce that we will be offering the NRA First Steps Pistol Orientation program at Kia Kima in 2025! This program is designed for older Scouts (14 years or older), Venturers, Sea Scouts, and adults to teach them the basics about pistols. Spots are very limited so sign up early! This will be hosted at the range during the evening session, and the program will have an additional cost of \$25.00.</p>

## LEAVE AT HOME

There are several items that should be left at home. Outside firearms, ammunition, and bows are not permitted on camp; these items, if brought to camp, must be checked in with the Shooting Sports Director for the duration of Winter Camp. Alcoholic beverages and non-prescribed drugs are strictly prohibited, and violators will be removed from camp, without warning. Tobacco use is only allowed in designated areas (please ask in the Administration Building). Fireworks are not allowed on any Scouting America property. Pets are not allowed; please contact the Camp Director if you have service animal. Please do not bring generators, as the loud noise can easily disturb other campers. Finally, Winter Camp is an out-of-doors experience, so we recommend limiting the use of phones or electronic games to a minimum!

# THE KIA KIMA CODE OF CONDUCT

At Kia Kima Scout Reservation, we are committed to offering a safe and welcoming place to Scouts and leaders from diverse backgrounds, and we have high expectations for our staff, campers, and leaders. With this in mind, we have developed, using several resources, including Scouting America's Scouter Code of Conduct, the Kia Kima Scout Reservation Code of Conduct, by which all staff, Scouts, and adult leaders should abide. Strongly rooted in the Scout Oath and Law, this Code of Conduct details the minimum expectations of all those who come to Kia Kima.

- I will use the buddy system.
- I will wear my camp-provided wristband at all times.
- I will show respect and consideration to my fellow campers, visitors, staff, and leaders.
- I will be respectful and tolerant of others at all times.
- I will respect the privacy and boundaries of all individuals, regardless of age, gender, or any other personal characteristic.
- I will respect and take care of camp property.
- I will respect other people's property.
- I understand that bullying or intimidating behavior will not be tolerated for any reason.
- I understand that the use of profanity or abusive language will not be tolerated.
- I may not use or possess any alcohol, illegal drugs, or inappropriate material. If found or detected, my parent/guardian (and/or police if necessary) will be notified immediately.
- I understand that, according to Scouting America regulations and State law, tobacco products may only be possessed/used by adults and, then, only in designated areas.
- I understand that camp visitors must check in at the Administration Building and wear a wristband while on property. If I see someone without a wristband, I will notify a staff member or adult immediately.
- I understand that camp visitors are not permitted in campsites without the permission of an adult leader assigned to that campsite.
- I understand that campers may visit other unit campsites only by invitation and with the expressed approval of an adult leader from the visited campsite. Adult leaders must be in the campsite anytime a visitor is present.
- I will respect quiet time from 10:00 p.m. to 6:00 a.m.
- I will follow Scouting America's Safeguarding Youth guidelines and policies at all times.
- When in doubt, I will let the Scout Oath and Scout Law be my guide.
- I will take responsibility for my own actions and behavior.
